GRANITE-TOP MODULES

HEATED OR MULTI-USE

Rotisol is proud to offer a unique line of integrable heated or unheated granite countertop modules. Modules can be combined with existing cabinetry to create a dramatic presentation, keeping hot food attractive for hours. Twelve shapes and sizes allow a versatile array of layouts. The 8½" tall modules come with a plain front and sit on four adjustable feet for leveling. Optional enamel and stainless front panels are available in a variety of colors. Heated modules are controlled by electric thermostat.

WARRANTY CONDITIONS:

Rotisol warrants its equipment to be free from defects in material and workmanship. The warranty covers parts for one year and labor for six months. Repairs must be performed by an authorized service company and it is the responsibility of the customer to return the defective parts to Rotisol France, Inc. within 15 days (otherwise, the warranty will not be honored). The shipping charges for replacement parts, other than ground, will be at the customer's expense. This warranty does not cover glass door breakage and quartz or halogen lamps breakage, neither does it cover the non-mechanical parts. This warranty does not apply to damages by accident, incorrect line voltage, fire, water, or other acts or God.
